QUALITY POLICY

Queenex tissues factory has established a reputable position in the local and gulf region markets through years of relentless efforts in its distinguished service. This was achieved through providing clients varieties of good quality products that completely satisfied their needs.

To ensure that we continue to meet the current and expected needs of our clients, (the owner, management and the employees of Queenex tissues factory) are committed to fulfill customer needs and requirements. Also we are committed to achieve the objective of implementing and maintaining a quality management system that satisfies the requirements of ISO 9001:2000 international standards.

We assure our clients the very best of our products and service all times through continuous improvements.
