

INTER FOLD

ADVANTAGES & PURPOSE

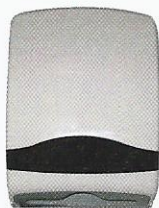

Designed with its unique INTERFOLD lock each sheet of tissue will popup systematically one after the other. This is to keep the moisture of our wet hands from transferring to the other sheets. Queenex Interfold is perfect for home or office use, each towel is embossed and absorbent for quick hand drying. The other unique feature is its packing; each individual pack come with an "easy tear" slid making it convent and hygienic to use without a dispenser.
